

Welcome to your Insights!

Below you will find insights and trends related to your behavior and reported emotions over the course of the study. Please review with your clinician in your next session.

The number at the top of each bar is the average score of an emotion you felt over the course of the study, ranging from 0 (no emotion) to 3 (greatest amount)!

The taller the bar is, the more you felt that emotion over the last few weeks!

Psst: scroll down to see how your actions corresponded with your feelings!

Over the last few weeks...

Happiness

When you traveled less than 31 miles, you were more happy.
